ABOUT HAE EHA

Hire Association Europe (HAE) and Event Hire Association (EHA) are the UK's leading trade association for the hire industry.

The Association is unique in that it brings together diverse sectors involved in hire: HAE with membership from tool and equipment and plant; EHA with members from audio visual, catering, inflatable, marquee and portable sanitation hire sectors.

HAE and EHA offer support to member companies to assist in improving industry standards and to support campaigns that increase the awareness of the benefits of hire and rental to the end user.

Both organisations work in partnership with Government agencies both in the UK and Europe and serve hire through lobbying on behalf of its membership.

ABOUT INTERFACE ON HIRE MAGAZINE
