Project Angel **TOY APPEAL**

Thanks to you, in December 2024 Rotary provided over 35000 toys to children who were seriously affected by the conflict in Ukraine and provided over 3,500 toy boxes (containing 8 brand new toys in each) to children in the UK who have escaped serious domestic violence to the safety of a women's refuge.

For the 2025 festive season, Project Angel invites companies and individuals to bring joy to even more children who have faced unimaginable hardship.

SCAN ME

1

Sign up on the Kids in Mind website and we will send you your Angel tags in October.

Then put the tags on your office tree or at reception and encourage your team to take an Angel tag.

2

3

Your team can then choose to buy a physical present themselves and place it under your tree. Alternatively, they can use the QR code on the tag, which links to our Angel Online Shop

Any physical presents will either be collected on an agreed date or we will ask you to drop them off to one of our collection points nearby.
