Business Beats Cancer[®] Hull

Business Beats Cancer Hull is proud to announce its inaugural Gala Dinner in support of Cancer Research UK, taking place on Thursday, 26th March 2026. Our goal? To raise an incredible £50,000 to fund life-saving research that benefits communities across Hull, East Yorkshire, and beyond.

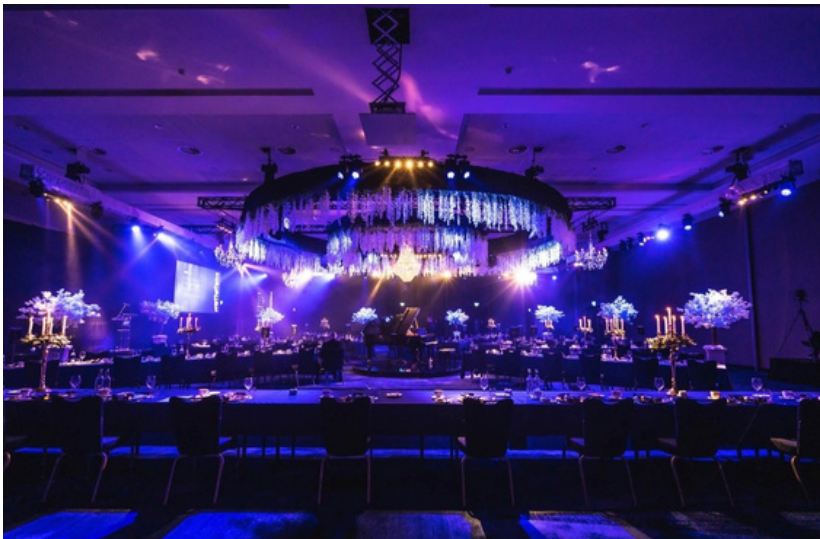

This ambitious target can only be achieved with the support of generous sponsors who will help us create an unforgettable evening of fundraising and impact.

We're inviting businesses across Hull and East Yorkshire to stand with us in making a real difference. Whether by taking a sponsorship package or donating an auction item, your contribution will help drive progress in the fight against cancer.

Interested in sponsoring or donating an auction prize? Get in touch at kim.barton@rradar.com. Together, let's make this a night to remember for a cause that matters.
